## Ski Expo 2017

Ski Expo was held on Wednesday 14<sup>th</sup> June at EMC. As usual there were the awesome specials offered by Doug, but our guest speaker this year blew us away with some insider knowledge on an exciting project happening to the huts we often visit on the High Plains. Unless you are involved in this project, you might not realise what is happening behind the scenes. When a hut reaches a certain stage in its life, Parks Vic liaise with the Victorian High Country Huts Association, who then liaise with a building company to arrange the restoration of the hut. The restorers are so skilled at this job that visitors often can't tell if a hut has had work done.

Graham was able to regale us with tales of huts that have hidden work behind old logs, and even one instance when someone came across them mid-repair and didn't believe that they were on track to finish the next day. (Spoiler: they did!). Thanks to Graham, it was a wonderful night to be out!

## Expertise Needed!

The BCMG is always looking with an eye to the future when planning major improvement works. The bathroom slab is our current focus, with several options being explored. To that end, the BCMG is searching for a flooring specialist with expertise in wet areas. If you (or someone you know) fits this description, could you contact the Bogong Chalet Management Group? You can reach us at [bogongchalet@vicscouts.asn.au](mailto:bogongchalet@vicscouts.asn.au).

## Bogong Rover Crew Nominations

From 1940 onwards the Bogong Rover Crew has existed as an award for outstanding service and good conduct. The Crew has no permanent place nor wealth and membership is strictly honorary. All those invested into the Bogong Rover Crew are

invested on skis during winter and in sight of Mount Bogong, Victoria's highest peak.

While the season is still fresh in your mind, please consider Bogong Rover Crew nominations. All Bogong Rovers can nominate, so if you have someone you think should be considered, nominate them now! For more information visit our website-
